

2 YEAR FABRIC AND 1 YEAR PARTS WARRANTY AND LIMITATION OF LIABILITY

Coolaroo products are manufactured by Gale Pacific Limited ACN 082 263 778 (Gale). Gale provides the following warrant in relation to Coolaroo products ("Product"). The benefits of this warranty are in addition to any rights and remedies imposed by Australian Consumer Law, NZ Consumer Guarantees Act 1993, and state and federal legislation that cannot be excluded. Nothing in this warranty is to be interpreted as excluding, restricting or modifying any applicable legislation to the supply of goods and services which cannot be excluded, restricted or modified.

WARRANTY

Gale warrants that, subject to the exclusions and limitations below, all parts of the manufacture and assembly of the Product will be free from defects in materials and workmanship for a period of two (2) years fabric and one (1) year parts.

If a defect appears in the Product before the end of the warranty period and Gale finds the Product to be defective in materials or workmanship, Gale will, in its sole discretion, either:

- replace or repair the Product or the defective part of the Product free of charge; or
- refund the purchase price of the Product.

Gale reserves the right to replace defective parts of the Product with parts and components of similar quality, grade and composition where an identical part or component is not available.

The warranty will not apply where:

- the Product has been altered or modified by someone other than Gale or its authorised agent;
- the alleged defect in the Product is within acceptable industry variances;
- Gale cannot establish any fault in the Product;
- the defect in the Product has arisen due to the customer's failure to install and use the Product in accordance with the instructions provided;
- the defect in the Product has arisen due to the customer's request to customise the Product;
- the Product has been subject to abnormal conditions, including environment, temperature, water, fire, humidity, pressure, stress or similar.

The warranty does not extend to:

- damage or defects caused by normal wear and tear,
- water or sun damage; or
- any other damage caused by the customer placing other equipment, furniture or material in close proximity to the Product. Gale makes no express warranties or representations other than set out in this warranty.

The repair or replacement of the Product or part of the Product is the absolute limit of Gale's liability under this express warranty.

WARRANTY CLAIMS

- Upon purchasing the Product, the customer must register their warranty by completing the Coolaroo online warranty registration at www.coolaroo.com. Alternatively, the customer can contact Coolaroo Customer Service on 1800 331 521 (AU) or 0800 555 171 (NZ) for assistance.
- If a fault covered by warranty occurs, the customer must contact Gale using the contact details provided.
- Any warranty claim must be accompanied by proof of purchase and details of the alleged defect.
- The customer must bear the cost of the transport of the Product to and from Gale or the authorised agent to make the warranty claim, and all insurance of the Product.

AUSTRALIAN CONSUMER LAW

Nothing in this agreement is intended to have the effect of contracting out of any applicable provisions of the Competition and Consumer Act 2010 or the Fair Trading Acts in each of the States and Territories of Australia, except to the extent permitted by those Acts where applicable.

This warranty is not transferable, and applies only to the initial purchaser of the installed Product.

In addition to the above warranty, Australian Consumer law and other state and territory legislation may imply warranties or conditions or impose liability on Gale in relation to the Product or its supply which cannot, or can only to a limited extent, be excluded, restricted or modified. Except for those implied warranties or conditions and such liability, and for the warranty described above:

- all warranties and conditions (whether express or implied, statutory or otherwise) relating to the Product or its supply are expressly excluded; and
- Gale will not be liable for any loss or damage suffered by any person (including the purchaser of the Product) in any way relating to or arising from the Product or its use (including loss or damage arising from the negligence of, or contributed to by, Gale).

If liability for breach by Gale of a warranty or condition or any other liability imposed on Gale by legislation which cannot be excluded may be limited, Gale's liability is limited to the extent permitted by law, and if liability may be limited in any one of a number of ways, Gale's liability is limited in any one of the permitted ways chosen by Gale in its absolute discretion.

The Purchaser acknowledges that the Purchaser does not rely on the skill or judgment of Gale as to whether or not the Products are fit for any particular purpose.

The Purchaser indemnifies Gale from every liability, loss, damage, cost or expense directly or indirectly incurred or suffered by Gale caused by or contributed to by the Purchaser's failure to:

- adequately provide or display safety markings or safety information on or with the Products;
- comply with any law about the Products or their use;
- take any reasonable precaution to bring to the attention of any potential users of the Products any dangers associated with Products;
- any negligence or breach of duty by the Purchaser or any breach by the Purchaser of these terms.

DAY AND NIGHT SHADE SAIL

INSTALLATION INSTRUCTIONS

Congratulations on the purchase of your Coolaroo® Day and Night Shade Sail. Please be sure to read the instructions before installing your Shade Sail.

PARTS LIST		QTY
1	Triangle Shade Sail	1
2	Pre-attached 2.5m rope	3
3	Coloured LED Lights with solar panel	1

INSTALLATION

Make sure the product is sufficiently charged under the sun before use.

- Test the light prior to installing the shade sail in its desired location.
- Cover the solar panel; if the LED do not light up, place the solar panel under direct sunlight for approximately 6-8 hours to ensure adequate charging.

The solar panel must be installed outdoors for solar charging.

- It is important to position the shade sail and solar panel where it will receive the maximum sunlight (at least 8 hours of direct sunlight) throughout the day.
- Do not install the solar panel near other nighttime light source. This could prevent the automatic activation of the product.
- The solar panel must be positioned on top of the shade sail.

DAY AND NIGHT SHADE SAIL

INSTALLATION INSTRUCTIONS

OPERATION

- Press the ON/OFF button on the underside of the solar panel to switch the product ON.
- The solar panel will charge the batteries during daytime. The lights will automatically turn on in the night.
- Press the mode button repeatedly on the underside of the solar panel to select one of the light settings: Combination => Waves => Sequential => Slow Glow => Chasing/Flashing => Slow Fade => Twinkle/Flash => Steady on
- Lights turn on, in the last selected mode of operation even if the batteries run out of charge thanks to the memory function. If the unit is turned off manually (OFF button), the unit will reset.
- The performance of the product depends upon the charge of the battery, weather conditions and the location of the solar panel. Run time may vary from 0-8hrs.

ATTACHING TO EXISTING STRUCTURES

Identify attachment points that can withstand occasional windy conditions. Possible points of attachment may include reinforced fascias, trees or secured posts.

! Take down your shade sail when not in use, or before strong storms, to prevent damage.

Attaching To Fascia

If you intend to fix your shade sail to a fascia the use of a Fascia Support is strongly recommended. The Fascia support is used to connect the overhangs of rafters or trusses to fascias ledgers giving a strong connection between the two and improved strength.

Attaching to trees

We recommend that the fixing of shade sails to trees be for TEMPORARY USE ONLY. The diameter of the tree where the sail will be fixed must be at least 100mm.

Lay your shade sail out and commence the installation. Tie supplied ropes to mounting points, as available. Ensure all connections face, as close as possible, towards the middle of the sail and are tightly secured. Check again to ensure all mounting points are solid.

Stop tensioning when the shade sail is rigid with little or no creases.

CAUTION: Do not over tension. Re-tension periodically if required.

MAINTENANCE: Your Shade Sail has been made of the finest materials and, when properly cared for, will provide years of shade and privacy. To clean your shade, simply rinse with water, scrub with mild soap or any non abrasive cleaner, rinse and allow to dry. Do not store shade wet.

CAUTION: Use of solvents or abrasive cleaners may damage the fabric and will void your warranty. Do not use bleach or chlorine. Do not put in washing machine or dryer. Do not iron. Do not dry clean.

BATTERY REPLACEMENT

- Loosen the screws at the back of the unit and remove the back cover.
- Replace the battery with AA size NiMH battery of the same capacity as the original one supplied with the unit. Make sure the polarity is correct.
- Replace cover and secure with screws.
- Dispose of used batteries in accordance with the local regulations.

The lights inside the tube are non-replaceable LED type, the external flexible power cable and LED light chain cannot be replaced.

! WARNING

When installing and using this product, safety precautions should always be followed to reduce the risk of personal injury and damage to the product.

The LED light kit is exclusively designed for decoration and is recommended for seasonal outdoor use.

Keep out of reach of children.
