## IN-GROUND FIXED MOUNT FOR MARKET UMBRELLAS

### STEP 1

Take all parts out of the box to ensure they are present.

(a) Aluminium in-ground mount

(b) Plastic cap (*already attached*)

(c) Wing bolts x2 (*packed inside mount*)

(d) Pole adaptors x5 (*packed inside mount*)

## STEP 2

Choose a suitable location for your umbrella in-ground mount ensuring there is enough space above and around to freely move the umbrella, and the ground is soft enough for a hole to be dug. Decide whether to secure the mount with concrete, soil, or sand and gravel. You will need these materials, along with a shovel and spirit level (not provided).

## STEP 3

Dig a hole in your chosen spot approx. 200x200mm wide by 550mm deep.

## STEP 4

Place the mount (a) into the middle of the hole and fill around it with cement, sand or soil, ensuring top of mount is perfectly level with the ground surface. The top plastic cap should be flush with the ground. Adjust as needed using the spirit level to check.

## STEP 5

Once concrete has set or mount is fully secure, open up the plastic cap (b) and remove the wing bolts (c). Carefully push switch to unlock the inner tube (stay clear as it may bounce up). Pull up inner tube and rotate it clockwise 90° until it locks into place.

## STEP 6

Insert the wing bolts (c) into the two holes, but do not tighten yet. Select which of the included pole adaptors (d) fit best for your umbrella and insert into the inner tube. Eg. if your umbrella pole has a 35mm pole diameter, then you should use all pole adaptors larger than this size- 38, 48 and 52mm.

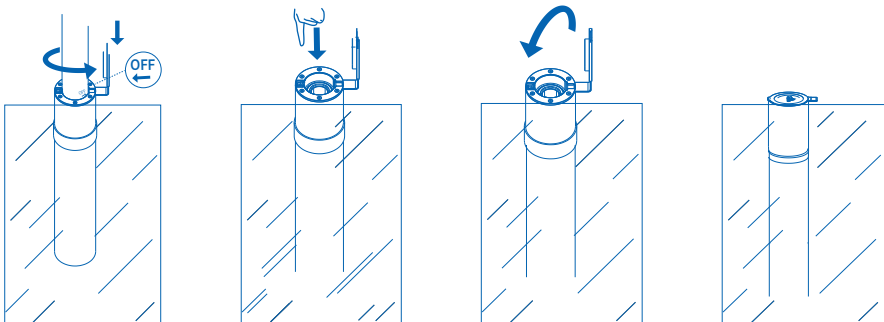

## STEP 7

Insert the correct pole adaptors into the inner tube if required. Insert your umbrella into the inner tube, then fully tighten the two wing bolts.

## STORAGE

To store the umbrella, remove it by first loosening the two wing bolts (c). These bolts can be stored in the plastic cap. Pull up the inner tube and turn it 90° anti-clockwise until the spring releases, then push the inner tube down back into the body of the mount. Finally close the plastic cap.
